

R. D. Henton Breakthrough Ministries, a weekly program that aired on television, radio and online throughout the world and allowed Apostle Henton to touch the lives of millions across the globe.

This tremendous ministry permitted the world to know Apostle Henton's charismatic and captivating voice that brought breakthroughs for his members and the world at large and led many to know him not only as a faithful pastor but as their "TV Evangelist".

Mr. Speaker, Apostle Henton was a learned man who held three Doctorate of Divinity degrees and was the recipient of numerous certificates of merit. Apostle Henton was not only honored by our colleagues here in the House, but also with letters from presidents, and having been given keys to many cities.

Of his numerous awards, he was especially proud of two very special awards he was given in his hometown of Chicago, Illinois: The N'Digo Foundation's N'Faith Award and the Luminary Senior Citizen Hall of Faith Award presented by former Mayor Richard M. Daley.

Of his many accomplishments, Mr. Speaker, we must not forget that, ultimately, Apostle Henton was a family man and the father of four children who worked faithfully with him in the ministry.

Mr. Speaker, Apostle Henton will truly be missed by us all but I will always remember what an amazing pastor and friend he was. My thoughts and prayers are extended to his family, church family and many friends. No one can prepare for a loss; it comes like a swift wind, but, I take solace in the fact that he is now resting in the arms of our Lord.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2015

Mr. TROTT. Mr. Speaker, I rise today to honor the memory of the Honorable Kay Arnold of Plymouth, Michigan for her extensive public service and unwavering commitment to the Plymouth community.

Kay had an unparalleled résumé, serving on the Plymouth Board of Trustees since 1992 and the planning commission since 1996. Her accomplishments in these roles include leading projects to improve the Ann Arbor Road corridor, Miller Park, and bridges in the township park. Colleagues often praise her independence in completing projects and willingness to always listen to residents' concerns. Plymouth Township would not be the same without Kay's work, and her influence will not be quickly forgotten. Kay also devoted time to volunteer work and was active with United Way, the Plymouth Community Arts Council, the Schoolcraft College Foundation, and the Plymouth Community Chamber of Commerce.

The Plymouth community will greatly miss Kay and her tireless efforts to improve her township. I express my condolences to her family, and to all who had the privilege of knowing her.

TRIBUTE TO DEBBIE WILLIS

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2015

Mr. SIMPSON. Mr. Speaker, this December, the Army Corps of Engineers will see an exceptional employee retire after 32 years of exemplary service to our citizens, communities, agencies and military men and women that the Corps serves.

Debbie Willis lived in Idaho from 1999 to 2009, serving as the Project Manager in charge of the Walla Walla District's Boise office. During that time, she represented the "First and Best" door to the Corps of Engineers, Walla Walla District. Debbie always provided a "can-do" attitude and worked tirelessly with her peers, local citizens, state and federal agencies, and private non-profits, to unlock remarkable solutions to difficult challenges that our communities faced in Idaho. In the words of one Idaho Mayor, she was our "Superwoman." These sentiments are shared by the countless individuals Debbie worked alongside to solve problems during her time at the Corps.

Debbie specialized with issues related to environmental improvements in urban and suburban flood-prone areas. She also worked with local communities to address the critical issues of water and wastewater infrastructure management and actively sought to involve community stakeholders in flood risk reduction and environmental habitat improvements along Idaho's valuable waterways and riparian areas.

In 2005 and 2006 she earned the honor of being selected from the ranks of the Corps of Engineers to serve as a Congressional Fellow and as a member of the staff for the House Energy and Water Development Appropriations Subcommittee. On May 24, 2006, Chairman of the Energy and Water Appropriations Subcommittee Dave Hobson recognized Debbie on the floor of the House of Representatives for her invaluable assistance in crafting the Energy and Water appropriations bill for fiscal year 2007.

Throughout her years of service to our country, Debbie served the Corps of Engineers in Georgia, South Carolina, Washington and North Carolina. She holds a Civil Engineering degree from North Carolina State University and has utilized her education and experience to help plan, engineer, and manage the construction of many large and complex military and civil works projects throughout the country and most recently for the U.S. Army Special Operations Command at Fort Bragg.

As a senior Corps project manager, she provided environmental restoration support to the Department of Energy at two of the Nation's largest nuclear facilities, the Hanford and Savannah River sites. Debbie also found time to use her expertise in a volunteer capacity by helping local communities in the southern U.S. assess and recover from damages caused by natural disasters. She traveled across the country and overseas, teaching management fundamentals and skills to Corps' employees and continues to be a mentor to many within the agency.

Debbie's last assignment has been as a Senior Project Manager for the Wilmington District, Corps of Engineers. Within that capacity, she has demonstrated extraordinary leadership and dedication supporting our service men and women at Fort Bragg. Over the past several years she has successfully managed the design and construction for both the Joint Special Operations Command (JSOC) and the Security Operations Training Facility (SOTF) at that base.

Debbie's hard work and dedication to duty is a proud reflection of the Corp of Engineers and her support for our nation's military. Her performance awards serve as a testament to more than three decades of exceptional service and selfless dedication to this country. I congratulate Debbie Willis on her retirement and wish her and her husband Brayton well in future endeavors.
